B701-S

About the B700 Series

The B700 Series singlewall transition sump is H-20 rated for drive-over applications. Available with a solid diamond plate cover or a split cover with room for factory installed AST fittings to make an above ground to below ground transition. Quality FRP construction is compatible with all common motor fuels without the need for gel coat for chemical resistance.

SIZES

- 20" wide at base
- 28" wide at base
- Small 25.5"
- Large 41.5"

**See page 2 for dimension drawing and dimension chart*

MATERIAL

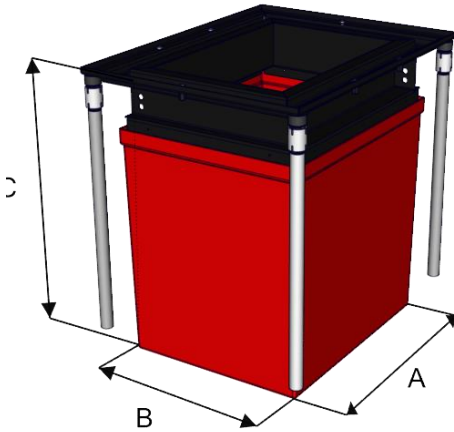

- Fiberglass
- Epoxy coated galvanized steel

SPECIFICATIONS

- H-20 load rated, can be driven over
- Option for solid drive-over cover or split cover with factory installed AST fittings
- Metal work is galvanized/galvannealed and epoxy coated
- 30-year corrosion warranty

B700 Series H-20-rated Drive-over Singlewall

Transition Sump Type	Part #	Description	A	B	C
B700 H-20 drive-over lid	B701-S	Singlewall FRP transition sump with solid flush lid	25.5"	20"	30"
B700 H-20 drive-over lid	B705-S	Singlewall FRP transition sump with solid flush lid	41.5"	20"	30"
B700 H-20 drive-over lid	B751-S	Singlewall FRP transition sump with solid flush lid	25.5"	28"	36"
B700 H-20 drive-over lid	B755-S	Singlewall FRP transition sump with solid flush lid	41.5"	28"	36"
B700 H-20 drive-over lid	B711-S	Singlewall FRP transition sump two-piece split flush lid	25.5"	20"	30"
B700 H-20 drive-over lid	B715-S	Singlewall FRP transition sump two-piece split flush lid	41.5"	20"	30"
B700 H-20 drive-over lid	B761-S	Singlewall FRP transition sump two-piece split flush lid	25.5"	28"	36"
B700 H-20 drive-over lid	B765-S	Singlewall FRP transition sump two-piece split flush lid	41.5"	28"	36"

B700 Series Optional Rack System and Accessories

Part #	Description
RS-710	8-1/2' rack system for B710; includes fasteners; clamps sold separately
RS-760	8-1/2' rack system for B760; includes fasteners; clamps sold separately
VPC-3/4	3/4" pipe clamp and fastener
VPC-1	1" pipe clamp and fastener
VPC-1-1/2	1 1/2 pipe clamp and fastener
VPC-2	2" pipe clamp and fastener
VPC-3	3" pipe clamp and fastener

B700 Series Custom Factory Installed Fittings

Part #	Description
VFA-710-3	Custom Factory-installed fitting for 3"; maximum of 2 per sump
VFA-710-175	Custom Factory-installed fitting for 1" or 3/4"; maximum of 4 per sump
VFA-710-152	Custom Factory-installed fitting for 1-1/2" or 2"; maximum of 3 per sump
